The Richard Doll Prize in Epidemiology 2017

THE PRIZE

What is the Richard Doll Prize?

The Richard Doll Prize is awarded by IEA in commemoration of Richard Doll's legacy and his achievements in epidemiology.

The prize is for a body of scientific research in epidemiology that has advanced understanding of conditions that are important for population health.

Requirements for nomination:

The Prize will be awarded to a living epidemiologist of the highest scientific standing.

Required Documentation

1. Completed Nomination Form
2. CV of nominee

Deadline for Nomination: 21 April 2017
